**Violence Essay!!  
Action on The School Yard!!**

One good afternoon at the William Jr. Middle School, There was 6 girls playing Basketball. There names we're Jay, Ashley, Amanda, Danielle, Diamond, and Jamila. They was playing a fair game 3 against 3!! So while Danielle was making a shot to the hoop she missed, Jamila got really mad and said "Get off the court you don't know how to play ball you're just a little girl who trying to play ball". Danielle didn't take that really well so she said "You're getting mad cause I didn't make that one shot? From my knowledge you didn't make one!!"

So Diamond,Amanda,Ashley and Jay really didn't go well with the argument so they tried to help but it didn't work. All of them took a Break, Once the 4 girls turned around they said "Danielle and Jamila fighting"!!!! So they try to break it up but it didn't work!! Danielle and Jamila both had bloody lips and nose,!!! They both got in trouble, had In house suspension and went home early that day!!! Then the rest of the day was fine!!

**Tips:**

- Try to work it out before it gets worse!!**
- Don't fight over something ridiculous!!**
- Get an adult to help you with the problem!!**
