Do the write thing Violence

The meaning of violence happens a lot, around the world. There would be problems about people fighting, doing drugs, and Alcohol of those can happen any time, any where and any day. They're would be a lot of people around the U.S.A Some people were killed, raped and been kidnapped and been robbed. Violence leads to bad school, bad education, and a bad job. Violence leads to Jail. What you can do to stop violence is Join a Sports team, help out, and go to Church.

My problems about violence is that a lot of

people don't pick
the right choices.
Some people choose
to do the bad thing
because they think
it is cool. If someone
makes you do it then,
tell them you don't.
stuff like this happens
really often

These are all my
reasons for violence
and what causes
violence.
