It is a dragger whom refuses to give up

Violence is something we all experience

Violence is energy that people use

Youth violence had affected me in much way

It left me lonely for many years

Scared to talk about it

Hiding in the dark, it seem though there no way out

Youth violence had affected my friend too

They always get bullied

Youth violence is something that come to your door and

Attacked!!!

It leaves no trace but the victim himself

My friend and I were in the dark

But not for long

One day we confronted him and he stop after that he left

We never saw him again

I said to myself youth violence can steer your mind anywhere

It is a dark horse which steered it way to a victim

It leaves the victim a bully

Youth violence is a hungry beast that has an endless stomach

For people fear and pain

Youth violence is a way to express emotion

Not word

But action

When I was seven my teacher said

Action means more than words

Now I know what she means

Bullying cause is

Sadness

Depression

Lack of parenting

It sad to see what actually happens

One must be a bully to understand a bully

Youth violence is to me

A person whom chose the wrong path

It is a sad dilemma

We could only wonder what actually happen

But there is hope

Provide children with help

Never let a children be depress

Always choose the right path

One must be hopeful for him or her to secede

I believe one day that

Youth violence we be contain

No longer shall we fear youth violence

But understand it

Then fight against it

We will win because

We have hope!
