The past

It isn't like the time were in now

Things are harder for people

Jobs are difficult to find

People are suffering

Worst of all,

Violence is all over

Is it easy on kids

No it isn't but, does everyone see that

No, never not at all

I lost an aunt because of the violence

Kids are trying to support their families

Families are trying to support their kids

What do we do, How do we stop it

Think and use your mind

Think of your family

They need you to be there for them

To be their role model

Times are hard but it gets better

God will find a way to help you

Don't freak out its going to be okay

We need to put our head together

And create a society for the people

To help them and care for them

A little money set aside every week

Can make a big difference

We can make that difference

Let's try to stop the violence

Stopped the kids for making the

wrong decision

Help them when they do

something wrong

It's not always their fault

Don't make them feel bad
Give life your all
Because we can change
The future so it can become
Better than the past
And the present
