Violence

Violence has affect my because when people commite crime around me or around the neighborhood it makes me fell that i'm unsafe in my own neighborhood. Violence has affect my life because when i ask my Mom if i could play outside she says no because she afraid that something bad might happen. Violence has affect my life in many ways because too some peope want to pick on me at school for no reason it makes me fell that there is no day in my life that people would not go up to me and ask me if i want to fight then. When i said no they go out and talk spreading rumor that i'm Taking shorts which makes me fell that is there a day that no one will ask me if i want to fight. Because we are working on stoping violence in the community, and all around the world. Violence could lead to fights, and deaths. Violence is something that happen every where and to every one.

What causes youth violence?

violence in the media can influence your teen and can cause them to act aggressively. Where you live, your teen's neighborhood, can cause your teen to act more aggressively.

Children who live with violence in the home can become violent people. If your teen is living with domestic abuse in their home, they are learning how to abuse. As child abuse is seen as a cycle, children of abuse can become the aggressors. This aggressive behavior often starts in their teens. Teens who received insufficient supervision by their parents or parental figures are prone to engaging in aggressive behaviors or criminal

activity because they make poor choices. If this teen become drug use could hide the fact that the bipolar illness is part of the cause.

How can you stopped youth violence?

What i could do about youth if call the police when you see something bad happen to a someone in the streets or in your neighborhood. Because BPD and the city of Boston and all around the world is trying to prevent to stop youth violence. Trying to talk to the youth about what they doing might change they mind. Because ussually when you tell someone they doing some things wrong they fix their mistake.
