Violence affected my life because I  
Seen it around my community. When I  
say that I mean there is to much  
violence/bulling because people done  
care about each others .The causes of  
youth violence are gangs because they  
can threatened to kill kids and family  
members .It can start with bulling  
because people done care about  
others. That is way people don't leave  
her house. I will strart a program to  
take kids out the street. Then I will  
take the kids that have problem to go  
to therapy 3 times a week.
