## Violence

Violence is a form of war's, fights, gun's, rape's, drug's and more. I do not know way people fight alot for no reason at all. Violence is making the world a cruel place to live in, but that do not mean that we can't live in peace one day. We have to keep trying to make the world a greater and better place.

I know what Violence can do to people and kids all around the world. Like at France people there are scared and in fear, because of rubber's. And were my ~~gran~~ Aunt live's there was this person who killed 6 teachers I think and,

~~about 12 kids at a school.~~  
~~this world has a lot of violence~~  
~~all around.~~

about 12 kids at a school. this place has a lot of violence in it. like the south end. there's a lot of bad things going on. like my dad friend he got shot at a church I was hoping he would not die but sadly he did. I miss him a lot he was fun. I wish that all my dad friends was a live still. I am now try to make this clear to the world that this violence needs to stop. so, everybody can live in peace again. And when I get older I will be a police so, I can stop this violence that is around this world. And one day I will become someone who can change the world forever. And if I do there will be peace everywhere. in the world. I am a girl that can't do nothing now but I will try. And my goal will be to make this world a better place forever-one.

I don't care if I get hurt  
when I am making this world  
a better place because its  
worth it. So, if its mean peace  
again I will be glad to die  
to make a better world in  
the future. I don't care if  
people hate me at first but  
I have to move on to make  
peace.

That is what

violence is to me!
