Addiction

Once I hear violence my mind creates a image of me in pain of suffering something I cant change, I experience violence at an young age at my own home putting me in risk

Seeing what drugs and drinking can do to a person you most love that you knew was your dad since day 1, Broke me left helpless, breathless it was like a weapon, Cause that left me with trust issue, cause me to not forgive you, It was like flames against flames, Choking yourself with your own chain was this for the gangs?

Wherent you the one to hold my hand? Havent seen you in 8yrs was this for your fans? Momma had to learn how to live without you put into a coma that stress you lead upto Arent you proud that little 8yrs old girl took a role as a father which apparently you can never take for dem girls, where we always found you on the street for them choices that left you divorced.

Everyday I pass is a blessing that I learn my lesson which keeps me resting thank god he change my settings which left me successes
