I never experienced violence in my life until when this man was driving somewhere with his two kids. Then this man called the other man the N word in front of his kids. So he got his car and hit him in the head with his car sapper thing. But he stopped because if he kept on fighting the police will come and arrest him for fighting in public.

Causes of violence are guns, knives, fighting, robbing, stealing, and people are acting out of control.

Some things we can do about youth violence are talk to people who experience violence and those who cause violence.
