Violence

Violence has effected my life because it's what made me the person I am today. The person I am today is protective, thoughtful, and very worried. All I want to be is successful, but many things are in my way and one is violence.

There are many causes of my life because of violence, but my main one is friends. The things they do and say are violent. A female and I are, well were very close til I have done some thing wrong I guess and she started telling everyone negative things about me and was talking trash. I thought was to beat her up, but I realized that, that would get you no where. So I just ignore it.

What I do to deal with violent students in my class is to ignore them and wait till they get older so I can laugh.

Violence

Violence has affected my life because
it's a subject I don't want to talk
about. I'm not a violent person, but
I've seen it. I've seen it in the news,
in the streets, and in my own life.
It's a sad thing to see, and it's
something that we should all try to
prevent.

There are many causes of violence,
but one of the main ones is
poverty. When people don't have
enough money, they often turn to
crime. Another cause is mental
illness. People who are not
getting the help they need can
become violent. It's a sad thing
to see, and it's something that
we should all try to prevent.

It's a sad thing to see, and it's
something that we should all try to
prevent. We need to do more to
help people who are in need. We
need to make sure that everyone
has a chance to succeed. We need
to make sure that everyone is
treated fairly. We need to make
sure that everyone has a voice.
We need to make sure that everyone
is safe. We need to make sure
that everyone is happy. We need
to make sure that everyone is
loved. We need to make sure that
everyone is respected. We need to
make sure that everyone is valued.
We need to make sure that everyone
is included. We need to make sure
that everyone is part of the team.
We need to make sure that everyone
is a winner. We need to make sure
that everyone is a success. We need
to make sure that everyone is a
hero. We need to make sure that
everyone is a legend. We need to
make sure that everyone is a star.
We need to make sure that everyone
is a champion. We need to make
sure that everyone is a champion.
