What do you rep?

Its All about our representation ...

In this generation  
we focus on are black  
if you sneak diss on another  
You get shot  
were stuck on the negative ...  
dont think about whats coming next ...  
we should be focusing on our future  
not peoples necks

You might have street smarts ...  
might have the looks ...  
whys that more important ...  
than being in your books?  
What do you rep?  
Being educated ...  
speaking proper english ...  
getting a degree ...  
or wasting your time on videntis ...  
I wouldnt recommend for the

vidents wont make you better  
as long as you can see  
getting a education is more important

• Knowledge is the help!

Put in work in school

not the projects

Be a leader not a follower

& not a reject

After all i said...

understand what you read...

hope you dont take this to the head

Think about your choices

move ahead instead

what do you rep?
