Violence

Violence has never affected my life before. The Causes of youth violence is drama. Drama will get you shot, killed or stabbed. Just for speaking out your mouth you could get shot over a fight. A Fight can turn into a stabbing war or a shot out. What I can do about youth violence is try to talk to my friends that take part in violence is to tell them to walk away and putting their lives at risk is not worth trying. To take legal actions to prevent any conflicts that were or might occur.
