## Violence

Violence is in the world  
In many way, shapes, and forms  
It affects everyone around  
Of all age and color

Violence is a scary thing  
That people try to avoid  
Although that is almost impossible  
As violence just finds you

Violence is caused from many things  
Even violence causes violence  
Although violence can not stop violence  
It only adds more fuel to the fire

Many people try to stop it  
As though they do not know  
That violence is everywhere  
Ready to kill everything in its path

Bullying is a type of youth violence  
It can be powerful words  
Or it can be physical harm  
No matter what though, they are painful

It attacks the body from inside and out  
It stays hidden until it reveals itself  
At its peak of darkness  
As it manifests your body

The way to stop bullying is to find the cause  
Find the source of it  
The reason why it is all happening  
So that everyone is on the same page

It sounds much easier than it is

~~Abraham Segun~~

People would think that if that was it they could do it  
But no, thats not how it works  
It is complicated and hard to do  
And no one pays too much attention to it

My friend Reishaun was killed  
He was in a gang  
He was killed and shot multiple times  
But he will always be remembered

There are a few ways to help stop youth violence  
One way is to help make more community centres  
Places where they can play sports  
Or hang out with each other
