III(1)

CHANCELLOR'S  
WELCOME

I wish to take this opportunity of welcoming all members of the faculty and staff in this the first Faculty Bulletin to be issued weekly. I hope in the coming weeks to meet you personally and again wish to express my appreciation for your superb efforts in the light of most trying circumstances of the past ten days. Please feel free to offer comments or suggestions regarding the bulletin.

INSERTIONS  
IN BULLETINS

Faculty and staff members wishing to insert notices of meetings or other announcements in the University Bulletin may leave such notices with Miss Gail Luther in the Chancellor's Office before Monday of each week for the Bulletin appearing the following Wednesday.

FACULTY  
MEETING

Notice of Faculty Meeting on Tuesday, October 4, 1966 at 4:00 P.M. in the Auditorium. Suggestions for agenda items may be sent to Professor Lawrence Kaplan, Secretary of the Faculty, Room III9.

UNIVERSITY  
DIRECTORY

In order that we may establish a University Directory as soon as possible, members of the faculty and staff are requested to leave their home addresses and telephone numbers with the secretaries of their respective academic divisions or administrative departments.

ROOM REQUESTS

Henceforth all requests for use of rooms for curricular and extracurricular functions should be addressed to Mr. Ralph Jones, Registrar. Mr. Jones will thereafter notify the Maintenance Department of needed arrangements.

ELEVATOR NO. 5

For the present, Elevator No. 5 will be manually operated to serve the faculty and handicapped students. From a quarter to the hour to five minutes past the hour, the operator will make as many trips as time allows, stopping at all office and classroom floors. At other times, faculty members may call the elevator on Extension 293 for service to all floors. (In the Lobby, use the telephone at the guard's desk.)

**COUNSELLING  
FOLDERS**

All faculty members are urged to return all student counselling folders still in their possession to their Division Chairman's Office in order to facilitate the analysis of this year's registration and the redistribution of folders to advisors closest to the students' major interests.

**REQUESTS TO  
BUSINESS AND  
MAINTENANCE  
DEPARTMENTS**

Requests for supplies, furniture, equipment, telephone repairs or alterations in offices and classrooms should be addressed to the appropriate Division Chairman rather than directly to the Business and Maintenance Offices. Both offices are understaffed at the present time and must offer their services on a priority system.

**USE OF CONFERENCE  
ROOM**

Due to extreme overcrowding during peak hours of the week, it has become necessary to schedule several regularly assigned class sections to meet in the conference room on the thirteenth floor (Room 1323). Persons or groups desirous of using this room for special meetings should first consult the schedule posted on the door of Room 1323 to determine if it is available at the time they would like to use it. Bookings can then be made through the Registrar's Office on the second floor.
