This Presentation is brought to you for free and open access by the Office of Community Partnerships at ScholarWorks at UMass Boston. It has been accepted for inclusion in Office of Community Partnerships Posters by an authorized administrator of ScholarWorks at UMass Boston. For more information, please contact library.uasc@umb.edu.
**Partnership Strategies**

*In their search for the most appropriate and sustainable ways to rebuild their communities after disasters.* CRSCAD collaborates with:

- Government agencies and policymakers
- Academics and researchers
- Practitioners
- Nonprofits
- Community-based grassroots organizations

**Outcomes in Post-Disaster Rebuilding**

CRSCAD assists local, national, and international agencies as well as the victims of disasters to develop **practical, sustainable, and long-term solutions to the social, economic, and environmental consequences of disasters.**

We also host international conferences and workshops at UMass Boston to **provide a space for partners to network, exchange ideas, and share best practices.**

**Local and Global Partners**

*In conjunction with the John W. McCormack Graduate School of Policy and Global Studies and the College of Advancing and Professional Studies, we collaborate with:*

- Airlangga University, Surabaya, Indonesia
- Center for Homeland Defense and Security.
- Federal Emergency Management Agency (FEMA).
- InterIntel.
- Salahaddin University, Iraq.
- United Planet.
- University of São Paulo, Brazil.

**Conferences and Workshops**

Since 2007, CRSCAD has held conferences on rebuilding post-disaster communities in:

- China
- Haiti
- Indonesia
- Iraq
- Japan

**Learn More**
