Do The Write Thing 2013-2014

Bullies are no fun, It hurts peoples feeling, bullies takes people's money, hurt peoples and harass them too. I don't like bullies. i remember i was bullied in my old school. i was lonely that time I got bullied, and people called me names, and I know how people feels being bullied. Then I tried my best to avoid the bullies and i escape elementary School and worked hard too. I know bullies is worst. Try to avoid strangers/bullies or else you would make the wrong choice.

But still make a right choice if you're going for your goal. don't play with bullies trust me I know what i did and i'm not gonna make the second wrong choice. Its not fun if you're a bully make that wrong choice to a right one. Do your homework and don't pay attention to the bullies if they are talking to you, try to avoid them and walk away. Bullies can make wrong choice like, cigarette/smoking that will hurt your lungs.

All i want to say is that don't smoke and make your way to victory and never become a bully. Bully will punch you and take your money, so be careful and watch where you are going because bully can follow you in streets. They might run after you then take your wallet/purse, now on 2014 lots of robbers happen like shop lifting and bank robbery.
