An End to Violence

Where is the end to violence  
I hate the sound of the ambulance  
is the end here or there  
is it anywhere

the bullets soar through the air  
do you even care  
about the person you shot  
you are not a robot

doing a crime doesn't make sense  
you must think of the consequence  
if you commit a crime  
the cops will make sure your serve time

gangs can be dangerous  
they affect like a virus  
the gang can make you lose a love one  
then you'll think violence is not fun

reaching true justice is so far away  
it is like traveling along highway  
if you love your family and friend  
then violence can come to an edn
