Violence generates nothing but false notions  
An alternative to express one's true emotions  
Provoked by those that do wrong  
Committed by all, weak or strong  
A road to great pain and sorrow  
always to be found today and tomorrow

Violence is a war that is fought everyday  
Unless someone has something to say,  
to bring it to an end  
But who has the courage to lend  
Shall it be you or I,  
or shall we turn the blind eye

Violence is a shadow that shrouds my past,  
for I was constantly harassed  
In school or wherever I went  
trapped in a realm of torment  
Forcing me to cower away and hide  
Soon to cause my demise

Who will cease this everlasting war  
Do I have to say more?  
For everybody is accountable,  
for this event so incredible  
So speak up against violence,  
to end this imbalance!
